## A LARGE CROWD.

Thousands of People Witnessed the Picture Display Last Night.

About two thousand people gathered on the court house lawn last night to see the pictures that are to be shown with the exhibit car to advertise the Pecos Valley. There were about seventy-five pictures and as many advertisements shown. The views consisted of scenes of the many interesting and picturesque places near Roswell and in the Pecos Valley. They were made from photographs that have been on exhibition at the different photograph galleries in Roswell for some time and have become familiar to most of our citizens, but seeing them on the canvas was something new and interesting even to them. The advertisements were many and varied in design.

The views were made by Frank Frost. The evening was highly enjoyed by all present and some claim there were at least three thousand people present. The band rendered its usual delightful music.

## The Car is Here.

There will be a large number of views taken that were not shown here last night on the court house lawn. Some new views will be added at once. The car arrived here last night and is now being put in readiness. Bring all of your donations in by Monday if possible.

## Delightful Reception.

There was a delightful reception last night at the residence of Mr. and Mrs. H. H. Landsaw on Military Heights. Delicious refreshments were served and an enjoyable evening was passed. Those present were:

Misses Landsaw, Estella Landsaw, Hall, Witt, Hankla, Myrta Hankla, Higday, Cobean, Perkins and Levinski; Messrs. Hanney, Dr. Jones, Landsaw, White, Cobean, Young, Hearne and Fisher.

## FLINCH.

If you're going to the seashore,  
Just take your flinch along,  
For I'm tired of golf and tennis,  
And of croquet and ping pong,  
High five has lost its pleasure;  
Can play euchre on a pinch,  
But if you'll take the cards along  
We'll flinch,  
Flinch.

You can hear it in the parlor,  
You can hear it on the lawn,  
At the parks and in the gallery  
It takes the place of song,  
Till it makes me almost nervous,  
And I jump at every sound  
For fear they'll squeal at me  
That flinch,  
Flinch.

'Tis the first thing in the morning  
And the only thing at night,  
And if I put the wrong card down  
It gives me such a fright,  
I must watch my flinch pile away  
And my partner must not wink  
If in my hand I hold alone  
It's flinch,  
Flinch.

—Roby Banner.

## Off for Roswell.

This morning, Revs. W. D. Clayton and Mark Hodgson of this city; Rev. Huggott of Magdalena, and the Rev. John Hodgson of Gallup with Mr. Dickinson of this city, left overland for Roswell a drive of 225 miles, where they will attend the New Mexico conference of the Methodist Episcopal church south. The conference convenes at Roswell on Wednesday of next week and will be in session several days. After the conference, the gentlemen will return to the city via the same way and route.—Albuquerque Citizen.

Andrew Siverson, a health seeker from Norway who has been here for several months, left on last evening's train for El Paso and he will go to Los Angeles from there. He was a Norwegian sailor and is afflicted with tuberculosis. He made a very pretty miniature yacht during his stay here and put it under a glass to protect it and raffled it off to get money to leave on. The workmanship was all done by hand and was the work of an artist.
